### Integrated Management System Quality Policy Statement

Adroit Construction Services plc, operates as part of the Adroit Group and provides construction services, including associated design, project management, commissioning and training of operatives to the core sectors of water, rail, renewable energy, electrical infrastructure and development and industrial.

We have a defined business strategy to achieve growth by expanding our client base and by assuring the products and services we provide in all respects. This includes improved and consistent processes, high levels of quality, working in a healthy and safe manner, and contributing to improvements in the environment in which we all work and exist. We therefore define below our policy in relation to quality.

- Our objective is to satisfy the needs of our clients in all respects through high quality, technically competent solutions;
- We aim to be professional and responsive to all client enquiries and orders, and endeavour to provide the people and resources to satisfy all client requirements in every way, including any relevant regulatory and legal requirements;
- We intend to play a proactive part in the supply chain, encouraging and undertaking communication, relationships and initiatives with our suppliers, subcontractors and clients;
- We monitor our own performance, set and monitor objectives, measure the satisfaction of our clients, and constantly strive to improve what we do on a continuous basis.

We are serious about the policies we have declared. These have been established and agreed by all our employees, and specifically endorsed by the Directors and Managers of our Company. We have documented and implemented a Quality Management System, compliant with the requirements of BS EN ISO 9001:2000, a Health and Safety Management system compliant with OHSAS 18001: 2007, and an Environmental Management System, compliant with the requirements of BS EN ISO 14001: 2004. These management systems are applicable to all employees working on our site and on clients' premises. These policies endorse the commitments stated above.
